Programs in COVID, Safety First!

As you may know, we are adhering to IDPH, DCEO, CDC, and Public Health Guidelines to be able to provide you with the safest classes we are able. We have been coordinating and running some very fun and engaging classes. This October we have been able to engage with almost 100 households with our Halloween Events including Haunted Drive Thru and the Spooky Egg Drop. It is always a pleasure to safely engage with our residents and neighbors!

Newsletters—quick, easy

We are switching to Newsletters to be released every 2 to 4 weeks, as our traditional seasonal brochures involve planning 3 to 5 months ahead. Our 2020 selves have grown accustomed to a theme of adaptability and flexibility. With that we are excited to be able to offer classes, but to help you plan your schedules, we want to be able to adapt to new phasing and guidance, so we cannot get too far ahead of ourselves. Newsletters are your consolidated glance at upcoming events, with some additional fun and information about what is happening with Riverside Parks & Recreation. It has been quite a journey discovering how to make your favorite programs and events work in our new world, and we thank you for your feedback and engagement along the way!

What's Going On Wednesdays: Check out the new programs we will be offering on Facebook at www.facebook.com/RiversideRec

Riverside Parks & Recreation seeks to provide our residents and neighbors with quality of life opportunities. Register for a program, attend an event, and enjoy the parks. Whatever you do, engage and find the enriching joy of being a Riversider. If you are interested in leading a class, apply online!

Riverside Parks & Recreation is excited to offer School Year Programming during this Hybrid School Year, visit www.riverside.il.us to learn more about the options for you and your family. We provide safety, socialization, and school support!

The colder months bring less opportunities for outdoor fun, but we will not let that dwindle our offerings. Rest assured we are working on ways to engage safely with you. Follow us on Facebook or check the Newsletter for updates to programming.

SYP Update with Elizabeth!

We are constantly learning new ideas and methods for how to provide the best learning environment. These past two weeks we have been running around outside as much as possible. We are crafting a project of comparing last Halloween to this one and talked about what we look forward to this weekend.

We painted pumpkins in Afternoon Fun Club, and had some fun socialization at a distance. We have been working on S.T.E.M. with legos, and mostly we have been learning from the kids in the program. It's amazing to see how well our students are adjusting.

In November we will be discussing much about Thankfulness and working on projects related to the Fall. We have Thanksgiving Break Program! Be sure to register at least one week prior to the start date.

Riverside Parks & Recreation
