

IMPORTANT NOTICE

GROVELAND AVENUE LEVEE FLOOD RISK MANAGEMENT PROJECT

At the Village Board of Trustees meeting on Thursday, April 5, 2018, at 7:00 p.m. in Room 4 of the Township Hall located at 27 Riverside Road in Riverside, the United States Army Corps. of Engineers will present its Groveland Avenue Levee Flood Risk Management Project. The purpose of this presentation is to outline the scope of the project and to solicit feedback from residents in the impacted area. Please note that the Village Board of Trustees will not take any final action at this meeting. The meeting is an opportunity for affected residents to learn more about the project and to solicit their initial feedback. The village will continue to keep all residents apprised of this discussion as it progresses.

Residents who are unable to attend the meeting can view the Board of Trustees meeting online at <https://www.youtube.com/user/rtvnet6> and may submit comments directly to Fire Chief Matthew Buckley at mbuckley@riverside.il.us.

Provide quality municipal services to our residents and visitors in a fiscally responsible manner consistent with our Village's historic tradition and community atmosphere.
