Programs in COVID, Safety First!

As you may know, we are adhering to IDPH, DCEO, CDC, and Public Health Guidelines to be able to provide you with the safest classes we are able. We have been coordinating and running some very fun and engaging classes. We had such a safely successful October, and we have kicked November off with fun programs that encourage health and wellness. Don't miss out on all of the fun.

Newsletters—quick, easy

We are switching to Newsletters to be released every 2 to 4 weeks, as our traditional seasonal brochures involve planning 3 to 5 months ahead. Our 2020 selves have grown accustomed to a theme of adaptability and flexibility. With that we are excited to be able to offer classes, but to help you plan your schedules, we want to be able to adapt to new phasing and guidance, so we cannot get too far ahead of ourselves. Newsletters are your consolidated glance at upcoming events, with some additional fun and information about what is happening with Riverside Parks & Recreation. It has been quite a journey discovering how to make your favorite programs and events work in our new world, and we thank you for your feedback and engagement along the way!
