Picnic Like It's 1869 - September 15, 2019 1:00-4:00 PM

Swan Pond Bluff

Back by popular demand, see how our ancestors might have picnicked at Swan Pond. This is a BYOL (Bring Your Own Lunch) event with recyclable, eco-friendly items. A violin concert will entertain picnickers, and Arboretum docents will give a tour of our Riverside Arboretum. Croquet sets will be available. Challenge your friends to a genteel game from the past!

The event was cancelled due to muddy conditions. However, the music portion of the event was still held in the library.
